

Rockgate Announces Non-Brokered Financing

VANCOUVER, B.C., June 23, 2009 – Rockgate Capital Corp. (TSX Venture: RGT) (the “Company”) has arranged a non-brokered private placement of up to units (the “Units”) at a price of \$0.45 per unit for aggregate proceeds of up to \$4,000,000.

Each Unit consists of one common share of the Company and one half of one non-transferable share purchase warrant, each full warrant entitling the purchaser to purchase an additional common share at a price of \$0.55 per share for a period of twenty four months following the closing of the offering.

The net proceeds of the financing will be used to fund further development work at the Company’s Falea Uranium/Silver project in Mali and for general working capital. Finder’s fees may be paid on the private placement pursuant to the policies of the TSX Venture Exchange.

Shares acquired by the places, and shares which may be acquired upon the exercise of the share purchase warrants, will be subject to a hold period of four months plus one day from the date of closing of the offering in accordance with applicable securities legislation. The financing is subject to the approval of the TSX Venture Exchange.
