## PRESS RELEASE

### **ROCKGATE APPOINTS MR. LORNE WARNER, P.GEO TO BOARD**

**Rockgate Capital Corp. (TSX Venture: RGT) (“Rockgate”)** is pleased to announce that Mr. Lorne Warner, P.Geo., has been appointed to the Board of Directors of the Company. Mr. Warner has also accepted the position of Vice President, Exploration for the Company in conjunction with his current role of Qualified Person under NI 43-101.

Mr. Warner has over 20 years experience in mineral exploration, open pit and underground mining, predominantly in Canada, USA and Brazil, working with Noranda Exploration and Placer Dome Exploration. As Senior Project Geologist at Placer Dome, his responsibilities included management of several advanced staged exploration projects and the development of 3-D models and resource calculations both on advanced staged projects and at mine sites. He completed extensive mine exploration programs resulting in the discovery or extension of several gold zones at Detour Lake Mine in Ontario. Mr. Warner is a registered Professional Geologist in British Columbia, Ontario, Nunavut, and the Northwest Territories.

Company president Karl Kottmeier stated, “I am pleased to welcome Lorne to the board of the Company. Lorne has provided tremendous help in the development of the Company thus far and I know his wealth of experience in mineral exploration, project generation and finance will have an immediate and positive impact on our company.”

For further information contact Karl Kottmeier, President of Rockgate Capital Corp., at (604) 961 9212.
